Rev. Paul J. Bucknell

**“EQUIPPING THE SAINTS FOR
THEIR SERVICE!”**

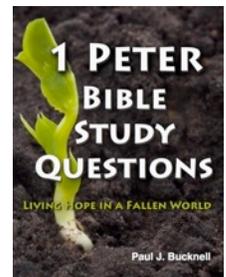

“Equipping the saints for their service!”

“For the equipping of the saints for the work of service, to the building up of the body of Christ” (Ephesians 4:12, NASB).

Dear Prayer Partners,

The new year, 2013, has caught me off guard. Perhaps I am slowing down a bit or I had a lot more going on than I realized. Hopefully, you received our latest family letter¹ announcing the upcoming wedding of our eldest daughter, Elizabeth.

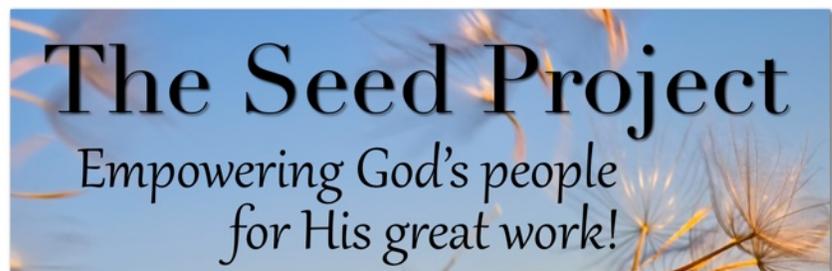

Study Updates

Near the end of the year, I finished up a new 99 page *1 Peter Bible Study Book*. I love developing Bible study questions. The fall semester's Sunday Training (Sunday School) study from 1 Peter gave me the opportunity to create this new study guide.

A significant amount of time was invested in preparation for the new semester's class at our church on redemption. This is such an exciting study-observing the various ways God has woven redemption into our very history. If you are interested in following along with the class see footnote.²

The Seed Project

The new *The Seed Project*, will largely be replacing our free dual-layered Dvd materials. The DVD's literally went out to the ends of the earth. A pastor recently requested a Dvd saying,

“It's a blessing. We have realized how the DVD materials have transformed the operation of the Botswana Church. This is a tool of relevance to the ministry, and we are requesting a copy for use in Zimbabwe.”

² <http://wwwFOUNDATIONSforFreedom.net/Topics/Redemption/rts-st.html>

The Seed Project will reach far beyond the scope of the Dvd, which requires a computer and skill to run it. With access to BFF libraries through the internet (which is becoming more and more common), and hopefully, soon, our international libraries, not only pastors but all believers in developing countries can have quicker, easier access to BFF's latest materials.

The Seed Project will make downloading books, power points, articles and maps or listening to audio and watching videos via smart phone easy and accessible. More info on this project still to come, but do pray as we seek wisdom to set it up and launch it. Not everyone has access to a computer, but from my observation, smart phone use is spreading quickly. "China's 3G subscribers grow 83% in 2012, reach 233M."

STM Mission trips

Two STM trips are being planned now for the spring, one in Peru and the other in Cuba. The date of the latter one still needs to be arranged. They are chiefly interested in the marriage seminar but also want discipleship training.

Praise!

- Praise 1 *Peter Bible Study* questions completed.
- Four lessons on the "Redemption Through the Scriptures" series has been taught. 1/4 way through.
- Planning is coming along for the spring trips.
- Elizabeth will be getting married May 4th!
- Catching up with financial details.
- Paul finally figured out how to set up a new tracking system for BFF (via a new database).
- 2012 was the first year we were able to receive a full salary!

Pray!

- Do remember final timing and arrangements for the two spring STM trips.
- Pray that the Lord will provide all our financial needs this year for His glory as He did last year.
- Praise the Lord about 35% of what Allison needs for this semester has come in.
- Pray for wisdom and resources about an extra STM trip to Ukraine or Russia.
- Looking forward to extra time in Florida to write and visit my parents.

Thanks so much for all of your prayers! Paul
